Dear Rotary Club Members -

THANK YOU ALL
so much for the generous
donation to Heritage
Elementary School Art
Day! Your gift helps
to nourish the souls,
feed imaginations, and
open the doors to
possibilities our kids
could not otherwise
have access to.

Academics are not our
students' strength, so
the ARTS build bridges
and open new ~~paths~~
connections for them.

You are welcome to
experience Art Day
first hand:
